

WONGAN ARTS SOCIETY NEWS LETTER 2016

We wish to advise the members of our community and further afield that we will not be holding our large Biennial Art and Craft Exhibition this year.

Unfortunately due to insufficient resources the Art Society members have decided to cancel their Biennial Art/Craft Exhibition for 2016.

We wish to thank our past financial supporters and community helpers of these Exhibitions who have always assisted us in staging our previous exhibitions.

To all the artist that have contributed to our Exhibitions thank you for your contribution and allowing us to display your works

We have achieved recognition for these Exhibitions throughout Western Australia and the East Coast. It is only with the support of our community and members further afield that we have been able to achieve this status, so thank you from all of the Wongan Arts Society Members.

2016 for our group will be an exciting time as we are planning to stage mini Exhibitions in specific mediums, workshops and displays in the new facilities at the Station.

Should the Arts society membership increase to a level that we have the support to stage further Exhibitions we look forward to future association with you.
